

# Coalition Communication: Manufacturing

## COVID-19 UPDATES

**We need your help in sharing information about the COVID-19 vaccine.** [Vaccine.coronavirus.ohio.gov](https://vaccine.coronavirus.ohio.gov) is an online resource for Ohioans to learn which providers received a COVID-19 vaccine allotment and how to contact them. This is not a scheduling tool; it provides information only. Individuals should contact the provider directly to schedule a vaccination.

Tentative dates to start vaccinating these Phase 1B populations are:

- Jan. 19, 2021—Ohioans 80 years of age and older.
- Jan. 25, 2021—Ohioans 75 years of age and older; those with severe congenital or developmental disorders.
- Feb. 1, 2021—Ohioans 70 years of age and older; employees of K-12 schools that wish to remain or return to in-person or hybrid learning.
- Feb. 8, 2021—Ohioans 65 years of age and older.

When a new age group begins, vaccinations may not be complete for the previous age group. It will take a number of weeks to distribute all of the vaccines given the limited doses available.

If you are older than 65, please connect with an Area Agencies on Aging about questions or if you need transportation assistance. For more information, visit [aging.ohio.gov](https://aging.ohio.gov) or call 1-866-243-5678.

More information can be found at [coronavirus.ohio.gov](https://coronavirus.ohio.gov).

## INDUSTRY INFORMATION

- The 10 p.m. to 5 a.m. statewide [curfew](#) is in effect until January 23, 2021. The curfew does not prevent employees from working.
- Learn about business assistance programs at [businesshelp.ohio.gov](https://businesshelp.ohio.gov).
- While the vaccine is providing hope, businesses must remain vigilant in enforcing [safety protocols](#) regarding masks, hygiene, and distancing.
- Learn about [23 million masks](#) on their way to Ohio businesses.

## KEY STATS

*Data as of 1/14/2021*

### PUBLIC HEALTH ADVISORY SYSTEM

### 21-DAY TRENDS

Case Average	7,316
Death Average	73
Hospitalization Average	293
ICU Admission Average	29

## WE WANT TO HELP YOU!

If we can help you assemble materials or if you have suggestions for spreading the safety message, please contact

**Bill Teets** at 614.569.4509 or by emailing [dascommunications@das.ohio.gov](mailto:dascommunications@das.ohio.gov).

## SUGGESTED SOCIAL MEDIA POSTS

Get the facts on Ohio's [phased in approach](#) to COVID-19 vaccination program.

## TALKING POINTS FOR YOU

- The goals of Ohio's COVID-19 vaccination program is to save lives and to allow students to return to in-person learning; therefore, while the vaccine supply is extremely limited, priority will be given to Ohio's most vulnerable residents and school personnel who commit to remaining open or reopening schools full time or in a hybrid model by March 1st.
- While there is no mandate to receive a vaccine, vaccinations are extremely limited. Ohioans should be aware that, due to vaccine shortages, anyone who declines the vaccine at their first opportunity may not have another chance to receive it for some time.
- It's critical that we all continue to properly protect ourselves from COVID-19. It continues to spread throughout all communities in Ohio. We need to continue to wear our masks, social distance, wash our hands, and limit our travel and interactions with those outside of our households.

## HOW YOU CAN HELP

- ✓ Set a good example, by wearing a mask, making virtual accommodations, and maintaining social distance when meeting face-to-face with others.
- ✓ Post on social media to describe how you are working to keep your employees and customers safe (and what they can do to help you maintain a safe environment) using the suggested hashtags.
- ✓ Submit letters to the editor or local news outlets that support the "COVID-19 Key Messages;" wear a mask, wash hands often, and social distance.
- ✓ Participate in local media/radio interviews to support "COVID-19 Key Messages," and help showcase how you and your colleagues in the industry are supporting Ohio's Responsible Restart.
